COVID-19 Prevention Tips

WASH

Wash your hands frequently using soap for at least 20 seconds or sanitise them using alcohol-based handrub.

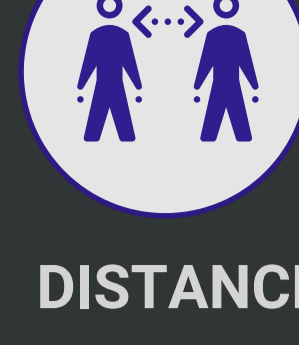

COVER

Use tissues when you cough or sneeze and dispose them immediately in a closed bin. Use flexed-elbow if tissue is unavailable.

AVOID

Avoid touching your mouth, eyes and nose, especially after contact with any surface.

DISTANCE

Practice social distancing by not shaking hands, hugging, etc.

ISOLATE

Stay at home if you become ill and help prevent its spread.
